

## **August Board Statement**

In August the Monsignor Kelly Catholic High School Board participated in a workshop to prepare for the 2020-21 academic year. The 2 day event provided the opportunity for an orientation presented by Superintendent Marcia Stevens, committee reviews, and goal setting. Particular attention was given to studying the mission statement of the school. The board is the guardian of the mission and its guidance in policy and financial planning always works toward sustaining the future of the school with the mission in mind.

The board added 4 new members who were introduced at the meeting, Ryan Gertz, Van Greer, Lan Phelan, and Don Shaver. The new members bring with them a passion for Kelly High School and a commitment to its success. They are replacing Camille Mouton and Mandy Oliverio who both completed three (2) year terms, providing the school with 6 years of faithful service. Members Jackie Simien and Ken Weaver also rolled off due to schedule conflicts. MKCHS is grateful for the gift of their time and talents.
