

MKCHS Request for Additional Tuition Assistance
2021-2022

Kelly HS uses a sliding income scale to determine a student's/family's tuition. This is the primary tuition assistance available. At times an individual family's situation may require additional assistance; however, there are limited funds available for additional assistance. This form is meant to provide the necessary information for the Tuition Assistance Committee to consider in deciding additional aid. This information, plus the information entered into FACTS Grant & Aid submission, will be considered.
